JANUARY 2016

by J. Andrew Payne

Corporate and Limited Liability Company Annual Reports are due by April 15th

It is that time of year. All corporations and limited liability companies doing business in Mississippi are required to file their annual reports by April 15, 2016. Annual Reports must be filed online at:

<http://www.sos.ms.gov/BusinessServices/Pages/Annual-Reports.aspx>

Annual Reports are required to be filed every year in order to maintain good standing status with the Mississippi Secretary of State's office. Failure to file an annual report could lead to the administrative dissolution of your entity. Therefore, if you have not already done so, now would be the time to add this requirement to your organization's annual to-do list. As always, the attorneys at Young Wells Williams P.A. are available to answer any questions you may have regarding corporate or LLC Annual Reports or other business-law related matters. We also are glad to assist in filing annual reports on your behalf.
